Nicholas Guasto signed affidavit.

**Response**

The facts described below apply to both claims of retaliation, as the City violated both Federal and Florida law.

Plaintiff filed an EEOC Charge in July 2020. Prior to filing her complaint, in May 2020, the MBPD gave Plaintiff and her then-husband, Nicholas Guasto, notice that they were being investigated for

being outside the city limits while on duty. The City failed to follow state statute and their own rules and regulations in conducting the internal investigation.

In September of 2020, MBPD Chief Clements had multiple discussions with N. Guasto regarding the EEO Charge. Clements told N. Guasto that the only way to resolve the case for minor discipline was for Plaintiff to withdraw her EEOC charge. By November the EEOC charge was still being investigated and Plaintiff and N. Guasto had still not been interviewed for the pending internal investigation. On November 2 a meeting took place to ostensibly discuss settling the pending EEOC charge. At that meeting, instead of settlement negotiations, the Chief threatened the Plaintiff with termination and conducted an interrogation regarding the open internal investigation. In attendance were Chief Clements, Deputy Chief Wayne Jones, Assistant Chief Paul Acosta, IA Commander Albert Prieto, HR Director Michael Smith, attorney Elkins, Past FOP President Kevin Millan, FOP Attorney Gene Gibbons, and Plaintiff's attorney Pancier. The Chief demanded Plaintiff answer questions about the investigation, and the city attorney displayed a PowerPoint presentation made for the case. The City IA commander, Albert Prieto, took notes and statements on his work laptop during the entire meeting. During this meeting Plaintiff was threatened several times with termination if she didn't agree to a settlement.

On December 18, Plaintiff met with the Chief and signed a settlement agreement and a last chance agreement. Plaintiff did not return to work until December 27, 2020, where she was assigned to her regular afternoon watch (2pm – 12am) in patrol. That evening, Plaintiff was mandated to work overtime during the midnight watch (12am – 6am). Plaintiff was mandated to work for Lt. S. Cosner, who in 2014 was a prime actor in sexually harassing Plaintiff while they were co-workers in patrol. December 27, 2020 was the only time Plaintiff ever worked in a subordinate position to Cosner. Cosner subsequently filed a complaint against the Plaintiff, alleging multiple false allegations against the Plaintiff. On Plaintiff's very first day back to work pursuant to the signing of the last chance agreement, Cosner subsequently initiated and filed a complaint against the Plaintiff, alleging multiple false allegations against the Plaintiff circumventing all levels of Cosner chain of command as required by department policy and emailed it directly to the Internal Affairs Commander and the City Attorney M. Elkins. The disciplinary form is named an AAF (Administrative Action Form) that was never presented to the Plaintiff and was not signed by the Plaintiff and or signed by Cosner as required and mandated by SOP and Policy.

There was no formal investigation of Cosner's allegations against Plaintiff Guasto. Chief Clements ordered Plaintiff to attend a meeting on January 19, 2021, where Cosner – the individual who sexually harassed Plaintiff and sent her a sexually perverse greeting card – was present. The meeting was essentially an interrogation based on Cosner's complaint. The FOP members:

- were not provided Cosner's Allegation of Employee Misconduct document prior to the meeting,
- were not provided the emails Cosner claims to have sent Plaintiff on December 30th,
- were not provided any notice of the nature of the meeting, and
- were not provided the vehicle locator documents Cosner claims to have viewed that showed Plaintiff's police vehicle stationary all night. were not provided names/statements of any and all witnesses.
- were not provided with all existing evidence.
- were not provided with the PowerPoint generated by Internal Affairs.

- were not provided with the Employee Administrative Action Response Form.
- were not provided with the names of the meeting attendees prior to the meeting.
- were denied representation of counsel when requested by the Plaintiff.

After the meeting, the City fired the Plaintiff on January 25, 2021.
